Cindy:

The additional costs (\$1,650.76) at the Pavillion site (Ms. (b)(6) privacy (Landowner name) property) were due to top soil being brought in to level out the the land around the well. These costs were unanticipated. Attached is the invoice for the soil.

Sujith,

There are \$2196.97 charges for materials and supplies for WA 3-11 trailing costs. The approved work plan was for \$7949 and \$6129.50 was paid in May. This brings the total of this work assignment to \$9326.47 which is \$1377.47 more than the approved work plan. Can you provide more information for the trailing costs charges?

Thanks
Cindy
